## Environmental, Social and Governance(ESG) Policy

## 1. INTRODUCTION:

Delhi International Airport Limited (hereinafter referred to as DIAL) believes that Environmental, Social and Governance (ESG) principles are crucial to developing resilient strategies and operational assets that deliver long-term value for the investors. DIAL fully recognizes that ESG is a business approach that creates long term stakeholder value, by managing risks and embracing opportunities, through optimization of the economic, environmental and social bottom-lines.

We are therefore committed to integrating ESG into our business practices and operating philosophy. This ESG Policy outlines our approach to integrating ESG in our business activities and is in alignment with ESG policy at GMR Group Level.

## 2. CORE AREAS:

### *Environment*

In line with our country's strategy to combat climate change and transitioning to a low carbon economy, DIAL strives to reduce its carbon footprint by continuing to take on initiatives for monitoring and reducing energy consumption through energy efficient building designs, implementing automated energy management solutions to reduce energy consumption and proactively work towards target to reduce greenhouse gas emissions, as practicable and wherever possible.

The Company shall make efforts to dispose waste in the most responsible manner. Through concerted waste management targets, we aim to work on and reduce our water consumption by achieving net zero discharge and harvesting rainwater to replenish ground water levels. Our push to go digital across airport and office areas will continue to reduce paper consumption, thereby reducing paper waste. The Company also continues to reduce use of all forms of plastic in its office and terminal areas to sustain its status of "Single Use Plastic-Free" Airport.

### *Social*

In the context of our aim to provide healthy, sustainable space for everyone, we are committed to offering our employees healthy and satisfying working environments. As a values-driven company, we recognize that all social interactions should be based on mutual respect and understanding and a health-promoting environment not only fosters employee satisfaction and creativity, but also lead to economic and sustainable corporate success.

DIAL therefore works to promote a diverse working environment. We are convinced that fostering various aspects of diversity not only creates open and supportive work places but also increases business success. We promote equal rights and opportunities, prioritizing our employees' qualifications and strictly rejecting discrimination based on age, nationality or gender.

DIAL also follows a structured strategy of fostering knowledge management by bringing together professional knowledge from different backgrounds and cultures. This not only strengthens our company's innovative capacity but also its competitive standing.

Guided by our policy, the Company will also continue to create value for marginalized communities in airports’ vicinity, through well-structured social programs and interventions.

## Governance

DIAL is committed to achieving high standards of corporate governance. This includes complying with relevant legal requirements and regulations as well as conducting business in a socially and ethically responsible manner.

We regard our responsible business practices as the basis for securing economic sustainability as well as fostering sustainable, long-term relationships.

As part of this, DIAL aims to conduct ESG assessment whilst also designating Board level committee to oversee ESG matters at the company, irrespective of this not being a mandate on DIAL.
